

# **MONTROSE**

## **VOLUNTEER FIRE DEPT.**

### **Procedure for Controlled Burn**

When you are wanting to have a controlled burn you are no longer required to get a burn permit from the R.M. To save you the cost of having the Fire Department called to your fire by someone that notices your fire, we ask that you please follow the controlled burn procedures as outlined below. If a controlled burn is called in to 911 and the Fire Department responds the rate payer will be charged a false alarm fee of \$1500.00

1. Ensure that the weather conditions are favorable for burning, not windy, too dry etc.
2. Call 1 (866) 404-4911 with the following information
  - a. Your name and phone #
  - b. land location of the controlled burn
  - c. what you are burning
  - d. when you will be starting the burn
3. When the controlled burn is complete call back to 1 (866) 404-4911 to notify that the controlled burn has been completed.

If you have any questions regarding this do not hesitate to contact your

District Chief: Travis Loewen by text or phone call 1 (306) 493 7419

Or

Fire Chief Mike Given 1 (306) 493-7777
